

TROJAN DC COLT®

The revolutionary **patented** battery powered Trojan DC Colt® **eliminates electrical shock** for the truly safest machine on the market. In fact, its heavy duty DC motor has more useable torque than any competitive AC powered machine in its class. **NO** electrical shock, extension cords or need to find an electrical outlet. **MORE** power, portability, productivity and profits.

UP TO TWO (2) WEEKS OF OPERATION WITHOUT RECHARGE

Top performance for 1" to 4" lines. The aluminum/magnesium drum unit with a cable saving clutch is suitable for 5/16", 3/8", 13/32" and 1/2" cables.

ADVANTAGES

-Heavy duty (16 gauge) handle with internal power cord wraps to prevent scraping.

-Our DC Permanent Magnetic motor, was specifically designed for this application. It has significantly more torque than all other competitive AC motors.

-Heavy duty industrial, rechargeable 24 volt battery packs feature long life, high power, long cycle life and broad temperature range. 2-yr warranty

-Drum angle can be tilted upward to 90° with adjustable knob.

-Change drums quick and easy using the swing latch assembly.

-Drums are aluminum/magnesium spun which allows the machine to be lighter weight and free from rust.

-Internal drum rotates independently of the outer drum helping to eliminate kinking while controlling torque buildup.

-Thick internal distributor arm provides smooth operation when pushing and pulling cable from the drum.

-Light weight, heavy duty magnesium construction allows for one man operation, loading and unloading.

-UL approved ground fault cord.

-One piece molded air tube and foot pedal.

-Three position switch with neutral position.

-Weight: 48.5 lbs. without cable

TROJAN
WORLDWIDE INC.

Optional:

Trojan Automatic Feed

Superior for cable operation, this addition to your machine will make fighting stoppages easier than before. Grease fittings make maintenance quick and easy. Adjustable for any size cable.

Pipe Size	Cable Size	Max Drum Capacity
1" - 2"	5/16"	100'
1-1/2" - 2"	3/8" and 13/32"	100'
3" - 4"	1/2"	75' or (90' with Auto Feed)
