

TROJAN COLT®

The professionals preferred choice for small drainage jobs. Featuring a high impact, shock and corrosion resistant frame. A double drum, inner and outer to ensure safety. Powered by the industry's highest torque and longest lasting motor. Quality built, the Trojan Colt® drain cleaning machine delivers true professional grade performance at an affordable price.

Top performance for 1" to 4" lines. The aluminum/magnesium drum unit with a cable saving clutch is suitable for 5/16", 3/8", 13/32" and 1/2" cables.

ADVANTAGES

- Heavy duty (16 gauge) handle with internal power cord wraps to prevent scraping.
- Hand assembled fractional HP motor with heat treated, permanently greased gears for high performance and extended life.
- 8" solid rubber tires for easy maneuverability at any residence.
- (4) rubber bumpers underneath the frame for scratch free indoor operation.

- Drum angle can be tilted upward to 90° with adjustable knob.
- Change drums quick and easy using the swing latch assembly.
- Drums are aluminum/magnesium spun which allows the machine to be lighter weight and free from rust.
- Internal drum rotates independently of the outer drum helping to eliminate kinking while controlling torque buildup.
- Thick internal distributor arm provides smooth operation when pushing and pulling cable from the drum.
- Light weight, heavy duty magnesium construction allows for one man operation, loading and unloading.
- UL approved ground fault cord.
- One piece molded air tube and foot pedal.
- Three position switch with neutral position.
- Weight: 48.5 lbs. without cable

TROJAN

WORLDWIDE INC.

Optional:

Trojan Automatic Feed

Superior for cable operation, this addition to your machine will make fighting stoppages easier than before. Grease fittings make maintenance quick and easy. Adjustable for any size cable.

Pipe Size	Cable Size	Max Drum Capacity
1" - 2"	5/16"	100'
1-1/2" - 2"	3/8" and 13/32"	100'
3" - 4"	1/2"	75' or (90' with Auto Feed)
